dancing

# No child should face cancer alone.

**Audrina is just 4 years old and lives with her family in Derbyshire. She loves singing, dancing and Star Wars! Audrina is fighting rare childhood cancer, Neuroblastoma. Support our urgent appeal to raise £200,000 by October and help her to beat this!**

Your donation will help secure funding to enable Audrina to access medical treatment not currently available on the NHS. The pioneering treatments we are fundraising for have already saved so many children's lives. Without such treatment, the odds of her survival are reduced and her life could be cut short before she gets a chance to dance with her friends again. The world needs kids like Audrina to keep hope and happiness alive.

Please donate NOW at [KeepAudrinaDancing.com](https://KeepAudrinaDancing.com)
